Some of our social highlights of the year were the very enjoyable Cindy Davies morning tea, our Christmas in July luncheon and the annual Anne Johnson morning tea.

We have been fortunate to be the recipient of many generous donations from the following:

- . Muttonstock concert.
- . Kiama Spinners and Weavers
- . Wollongong Doll Club
- . Western Sydney Historic Truck club
- . Illawarra Quilters
- . Jamberoo Ladies Golf club

To these people we thank you for your continuing support.

A huge thank you to Ray Tolhurst on obtaining grants from:

- . Bluescope Win Community Partners Grant
- . Volunteers Grant for our sewing ladies
- . Community Underwriting small grants program.

To our dedicated sewing ladies, thank you all for your hard work both in the craft field and in the catering field! We are so fortunate to have so many talented ladies, if you want a turban, a bag, a heat bag, a cushion, a peg bag - it's magic, it's there! Great fun was had at both the thank you morning tea for Anne Johnson and your Christmas luncheon.

To the CCL committee, thank you for your support, dedication and vision for this great organisation. You are an amazing group and it been a pleasure to work with you again this year.

My heartfelt thanks to all our members, who contribute to CCL in so many ways.

### Smile Corner

One of our sewing ladies with short grey hair used to look otherwise . Left pic shows her 'back in the day' with waist long hair and the second trying on a long straight wig. I think it will be easy to guess who.
